By now in this phase of the Oregon Pandemic we should all be well versed in doing a Buddy Check. We all need it to keep up with the status of our members.

As you all know, with the cancellation of our Department Convention many things have changed.

All Department Officers will remain in position for another year. Not all bad since we get a second chance to perfect our performance. Hopefully all District Officer are chosen and all Posts have made their officer choices.

Having said the above, it is *IMPERATIVE* that Department HQ be notified if a change has been made in those positions or *NOT*. Please send in your forms and CPRs.

On the Membership side of the house, things are brewing for the new year. By the time you read this the 100% goal target will have passed. Thank you for your efforts, please keep up the 2019-2020 campaign, it will close out on 12/31/2020.

The new 2020-2019 Draft Membership Plan is being reviewed and will be out to the Team by the end of June. We kick off the campaign earlier this coming year in hopes that we don't find ourselves in the hole for the first Target Goal of 50%. The new DMS/114 lists will be out in early July. National will provide us with the Department Goal which will be divided and passed to each District for division among the Posts.

members involved in helping our fellow veterans. I welcome new District and Post leadership, thank you for stepping up to help your fellow veterans. As we look back on the past year and realize we were not prepared for

our programs, and to work at getting

and realize we were not prepared for what was dealt us, as this was the first time in the Legions' 100 year history that this situation has come up canceling national convention, so all Departments and National were in the same boat. But being Legionnaires, we put on our hip boots and wadded in. It was not without controversy or, at times, some heated discussions.

We managed to pull together and deal with the situation and move forward—these proposed changes to the Dept. Constitution & By-Laws give us a road map on what to do if this situation occurs again, but hope that it never does, but we need to prepare in case the situation arises again.

As we start this new year, we need to work as a team to meet our goals. As problems arise, they will be taken care of promptly and not allowed to become big ones. We all need to do our jobs, and we will have a successful year.

DEPARTMENT FINANCE OFFICER

We continue to work from home, and I am one of the fortunate that can work from home and perform most of my responsibilities. By now, all Posts have re-

By now, all Posts have received copies of our Proposed DEPARTMENT FINANCE 2020-2021 Department of Oregon Budget and Supplemental Budget for August and September 2020.

The Supplemental Budget for the two months was necessary as we changed our Tax Reporting Year from August 1 to July 31 each year to October 1 to September 30 to support reporting our programs. This reporting year change will be the only year we will have to report a short reporting period for the next ten reporting periods. We discussed this tax year move for the past few years, the Department Executive Committee (DEC) approved it and accepted by the IRS.

Just a reminder, those that have not filed your Post Tax's, if your Tax Year is January 1 to December 31, IRS has moved out 990 reporting to July 15, the same as 1040 reporting. For all other 990 reporting periods, the organization has five months after the end of their reporting period to file their Form 990, 990-EZ, 990-PF, 990-N (e-Postcard). Under a new ruling, the IRS was to send a new warning letter to those 501 organizations starting the first year, late or failed to report, and not wait for three years.

As a reminder, please check with your Post and make sure that they have filed their Tax, if questions, we are always available to assist. With the current situation, stay, and working from home, the IRS has a lot of new activity, stimulus payments, care act, it is supporting a lot, and some activity will take longer. Again, a reminder: If your Post receives an IRS Letter revoking your Post EIN because of failure to file Tax's in the past three years, there is a new simplified process to reinstate your EIN. If you file it within 15 months after receiving your IRS revocation letter, there is also a process for restoring your EIN if your Post waited, and it is longer than 15 months. Remember, there are no exceptions, all Posts most file.

PERMANENT FINANCE COMMISSION CHAIRMAN

It is a new year, and things are much different than the last. The COVID-19 will ever change how our Post's function and operate their clubs. Because of changes, we are going to incur a few more cost's

that we may not think we would have, which F could cause a financial burden on the Posts of and Clubs.

PDC, Kevin Owens Permanent Finance Commission Chair

This is an excellent time to look at our operations and find ways to save money to find new ways to increase our income. Each Post is different, and many do not have clubs or buildings to worry about, but membership is always a big concern. Are the members going to come to function? Are they going to stay members? These are all concerns, but also opportunities for the Post to contact their members. The Buddy Checks that have been talked about, and personal contact.

The financial health of the Post is up the Leadership of the Post to come up with a plan that works for it, no right or wrong plan, but a Plan. Let us get through this better than before, and that will take the TEAMWORK of all. If you need help in any area, we are here to assist you.

Improvise, Adapt, and Overcome

Improvise, adapt, and overcome.

Our posts have done well to weather the confusion and chaos created by the pandemic. Much of our Legion business activities - be it with programs, work on membership, or efforts to provide veteran services within our posts and communities was disrupted significantly for some time as expected.

However, posts are continuing to adapt to restrictions and constraints and are working to develop means to re-engage their membership. Some Posts are now meeting via social meeting platforms, such as Zoom, while others are conducting

in-person meetings and maintaining social distancing measures.

As quickly as our business year ended, the 2020-2021 year is getting underway! I commend the leadership of our posts for persevering through the challenges we face. And, I challenge each of you to continue adapting and ensure our programs are delivered and take care of our veterans.

The membership year concluded with District 1 finishing at 90%. I urge posts to review the year-end membership report for their Post and our District as it very clearly describes where our efforts are needed this next year. With the year just ending, we were 317 members shy of making our goal, and, unfortunately, we were 72 members fewer than this time last year.

We did an excellent job of working the DMS/114 lists for transfers into our posts. We transferred 113 into new post homes – well done! In the new year upon us, we must continue that effort, as well as emphasize member retention. The key is in member retention because we are losing far too many members to non-renewal. We do have the potential to be goal posts and a goal district.

We achieved a 100% completion rate on the Consolidated Post Reports for the District. Again, thank you! We must tell the story of the great work you do within your Post and communities. It is also vital that you share among your members what your accomplishments were for the year. That is a powerful message! Use that message as a springboard into the new year, and garner support and more volunteers to strengthen your communities further.

Incoming district leadership is already working on the locations and dates for district meetings for the upcoming year, so stay tuned for that announcement.

Lastly, I extend my heartfelt gratitude to you all for your support these past two years. It was an honor to represent you at our department executive committee meetings as well as to work with you within our District. Thank you for your support to your Post, to our District, and, to our Department. We can accomplish much, much more when working together.

Veterans do strengthen America, ...and each of you is proof of that! Keep up the excellent work!

the confidence in the District to have been elected as the new Commander. It has been twenty-two years since I have held this Office and looked forward to reaching the stars in membership and programs.

We have Don Adams as the 1st Vice Commander, Bob Cline as the new Adjutant, and Rebecca Rice will be the Finance Officer. With their help and PDC Jackie Collison, we have set some tall goals, TEAMWORK MAKES THE DREAMWORK, and we have a great team.

Our District Meetings should be scheduled in a couple of weeks and hope to build on Past District Commanders Rebecca Rice's success. We are a small District like District 10. We have some challenges, which also comes with rewards. I think we have gotten away from the days when we communicate with people in person and relied on e-mail and the mail. Personal contact does make a difference.

Along with my wife PDP Krisann Owens District 9 President, we are going to encourage and mentor our Posts, Unit's, and Squadron's, that Family does matter to become the District we need to be. We hope to start getting visitations moving soon. Watch out D9 is coming for you.

District 9 News

A new American Legion begins, and newly installed District 9 Officers. I was honored by

Greetings to my Legion Family in District 10. I would first of all like to thank everyone for their continued support as I have the privilege to continue as District 10 Commander. It is truly an honor to serve you all in this capacity,

DAN BURKES DISTRICT 10 COMMANDER

and I could only hope to repay your support by providing my best efforts on your behalf.

Due to COVID-19, many of us have found ourselves spending a little more time in our homes than we are accustomed to, and for some, that may have been a blessing while the rest of us have figured out the salt shaker can hold up to 237,914 grains of salt. I want to applaud District 10 as you have all forged forward through these trying times, making every effort to contribute everything you possibly could to carry on the traditions of our distinguished organization.

I want to thank every one of you for the hard work and dedication you have exhibited over this entire year; you have each genuinely contributed to the success not only of your post/ unit but to the success of the district and ultimately the Department as well.

Again I extend to each of you a debt of gratitude as I hear the stories of your accomplishments and efforts throughout the year, I am always proud District 10 as I write my District report for Department. It seems we have been figuring out a way to conduct business in each of our Posts, which is gratifying to see as that is what we do in District 10, we adapt, and most importantly, we overcome. I hope this finds each of you well, and until I am there to say this in person, I am proud of you all and thank you dearly.

Membership Incentive

Plan for 2020-2021

Greetings American Legion Family, hope you are well and happy despite all that is going outside

PDC, MIKE JONES Admin & Advisory Chair

on your door.

Today I am writing to you to inform you of a brand new membership incentive program. Actually, it isn't new. It just hasn't been rolled out for a while. It has worked very well in the past and will again.

"The John Kalmbach Memorial Membership Award" program is sponsored by my wife Sharon and I to commemorate our good friend PDC John Kalmbach whose passion was membership. It works like this.

The program will run from July 1, 2020, to June 1, 2021. The winner will receive a nice plaque denoting their accomplishment and a crisp new \$100 bill. To qualify for this award, you must have 25 or more members to your credit. Hold on! It isn't as bad as it sounds. You have four ways to achieve your mission.

1) The traditional recruiting method, of course.

2) Renew existing members. That means to make the visit, collect the dues, and bring them to that person processing membership for your Post. Yes, I realize you aren't supposed to do that while under house arrest, but this runs for 11 months, and we should get paroled by then, surely.

Cont. from page 6

3) The expired list. Re-signing up those members who haven't paid their dues for a couple of years is like low hanging fruit. The same thing applies to the DMS and 114'ers if caught before they pay their dues for the new year.

Remember folks you have a lot of sources to pull from, but if you are from a small post and feel like you are at a disadvantage, those numbers don't all have to come from your own Post.

Post Adjutants will be responsible for keeping track of the numbers and forwarding them to the Dept. Adjutant for those wishing to work toward this award. The Department Adjutant will be responsible for informing me of the names of the two Legionnaires with the most members over 25 to their credit. If numbers are significant enough, I will award \$50 to the second place holder.

For those who might be concerned about the money, this will come entirely out of Sharon and I's pocket. No funds will be taken from the Department or the Membership budget. While we are sponsoring this, the PDC's are in full support and will be the monitors of the program in future years.

Permanent Finance

Recently the DEC held a special session to take care of some business concerning the Department Convention. During this session, there arose several questions about the funds that "should" be available for redistribution.

PDC, GENE HELLICKSON PF COMMISSION Hopefully, this will help clear up a few of those misunderstandings. One: the budget that was under discussion was for our 2020-2021 budget. Not the current budget we are under right now. Two: Why not use

money that is not going to be used for things like Boys State, Baseball, Law Enforcement Career Camp, etc. The simple reason is that money is not physically there. The income stated on the budget is what the Permanent Finance Commission (PFC) "projected" the revenue from those programs. As those programs were canceled, there wasn't any income.

What the budget shows in these cases is how much funding was expected and how much the programs were allocated to spend.

When dealing with a "budget," it is easy to get sidetracked because of fiscal years and probable income and expenses. But rest assured that the PFC is acting only in the best interest of the Department of Oregon. It is not the PFC's money; it is all our money.

While discussion of a possible increase in Department dues has taken place, it is only that, at this time, a discussion. Declining membership, which is where the majority of our funds come from, means declining revenue. With everything in the word rising in cost, and our revenue falling, it is prudent that the PFC discusses different scenarios dealing with the future Department Budget. The PFC does not want to recommend a dues hike anymore

that our members want to see one.

I hope this helps understand how the budget operates and that what you see on it may be different than what you think it should be. If you have further questions, please contact any member of the PFC for more information.

COVID 19 Phase II The New Normal

Many of our Counties have moved to Phase II in response to the COVID 19. Phase II means that many of our Post homes will be opening to our members and guests.

PDC, JIM WILLIS PR Committee

As part of our public relations with our

PR COMMITTEE communities, we will need to set an excellent example of how we operate within the rules to keep everyone as safe as possible. This everyone safe means that the Bar, Wait, and Kitchen staff will need to wear masks while on duty. It also means little things like no shared salt and pepper shakers. We must now use individual packets along with paper plates and plastic dinnerware.

We must also set up the seating in our Posts to allow for social distancing to include the use of State gaming machines.

While we don't know for sure when we can go to Phase III, we do know that an increase in the virus can result in slowing the progress we have made to this point.

I hope all of our members will stay safe as we return to the vital work of the American Legion. Our Post Homes are a place we can be proud of and if we run and operate within our current Phase II rules, can be that good example for rest of our communities.

The Oregon American Legion Foundation

Another year is upon us. The COVID-19 Virus has put a hold on many programs we have. Where will this all take us the coming year? It is not too late to start working on the money pro-

PDC, KEVIN OWENS

grams the American Legion offers.

As businesses begin to open, it might be an opportunity to fill out the non-profit forms to receive money for next year. It seems odd to me not having Boys State, Baseball, and Law Enforcement Career Camp this year, but my hope is we will all get through this together and be stronger for it.

Please do not let your programs suffer for the lack of money; we are here to help your Post succeed to the fullest. Please contact the Department for an application to receive funds to help. Remember it has to be one of our programs and that we need you to look for other fund-

ing also as the money pot is only so big.

PNC, PDC, CHARLIE SHCMIDT TOALF COMMITTEE

The Oregon American Legion Foundation (TOALF)

The COVID-19 virus has brought a major portion of our American society to a standstill, along with the enforcement of health practices such as social distancing mandated by state and federal authorities. Our American Legion Family felt the impact, modifying day to day headquarters op-

erations and sadly, canceling long-standing annual programs and activities that involved mass meetings of people.

As we work through the maze back to normalcy, we have time to review and prepare next year's programs such as Boys/Girls State and Nation, Scouting, American Legion Baseball, Junior Shooting Sports, and Law Enforcement Cadet Camp. Yes, even Oratorical. Funding for these and other Legion Family programs can be a deterrent to sponsorship. However, help is available through The Oregon American Legion Foundation (TOALF).

Financial assistance means HOPE...hope that Oregon youth will be able once again to participate in the premier programs of The American Legion Family. The HOPE comes from you and me. *HOPE* comes from Posts, Units, Squadrons, and Chapters. *HOPE* comes from contributors to our 501(c)(3) Foundation.

Funds raised by TOALF are used to support the charitable programs of The American Legion. We have canceled all our upcoming events until the new direction is given on meeting in large groups, the safety of our members, veterans, and participants remains our focus.

We have a lot of challenges with our Oregon National Guard being deployed and our Vet-Nets being canceled with social distancing and group meetings. We are continuing to support over the phone with minimum issues. We are having small strategy meetings, telephone, and zoom for when our troops come home. We are entering and testing new waters as we plan what if, no gatherings, social distancing, larger areas to hold events with a distance between employers, vendors. It is challenging, and what venues will allow an event with social distancing, insurance, Federal, State, and County requirements. We are looking at and entertaining new ways of holding events to support Veterans Employment, Education, and Homeless activity. As we can start up again, we will broadcast by email to all Posts, Legionnaire, Webpage, and Department email.

The 2020 Oregon Women Veterans Conference, which is held every two years and scheduled for May 30-31, 2020 at the Riverside Convention Center in Bend, has been canceled and is rescheduled for May 22 and 23, 2021 at the same location, we sponsor, and support. We will be there.

An Earned Benefit

James W. "Bill" Oxford National Commander

By National Commander James W. "Bill" Oxford

Imagine the absurdity of an argument that states that the Department of Education employs too many ex-teachers. Or that the Center for Disease Control has too many doctors. That was my reaction to the recent War on the Rocks commentary <u>"Is Veterans' Preference Bad for the National Security Workforce?"</u>

The authors' primary objection to veterans' preference seems to be rooted in their desire to maintain civilian control of the military. Indeed, Article II, Section 2, of the U.S. Constitution states among many other powers, <u>"The President shall be Commander in Chief of the Army and Navy of the United States...</u>" But the framers recognized the difference between an active-duty

soldier and a veteran or else they would have found someone other than a former general to practically anoint as our first president.

While most Americans approve of President Washington's performance in office, it is not senior officers who benefit from veterans' preference anyway. It's the junior enlisted, NCOs and company grade officers. When I left the Marine Corps as sergeant, I could have benefited from veterans' preference. When I later retired from the North Carolina National Guard as a colonel, I could not. Unless one incurs a service-connected disability, retired field grade and flag officers are ineligible. But this isn't about taking care of the top brass. It's about the troops. Who better to serve the U.S. government than those who at some time in their lives pledged a willingness to die for it?

Lost in the civilian control of the military argument is the simple fact that with the exception of those still in the service, veterans are civilians. Those that are in the military already have fulltime jobs.

In spite of unfair stereotypes of veterans as war-mongers, it is Dwight D. Eisenhower who said, "I hate war as only a soldier who has lived it can, only as one who has seen its brutality, its futility, its stupidity." And it is still our elected officials rather than our federal workers who determine if or when military force should be used.

As the nation's largest veterans' organization, The American Legion has a long history of advocating for the occupational and educational advancement of those who answered our country's call. At our national convention in 2016, delegates unanimously passed <u>Resolution No. 358, "Support for Veterans' Preference in Public Employment."</u>

Our delegates proudly went on record stating, in part, "That The American Legion deplores each and every attempt to degrade, dilute, or modify the historical precedence of giving job eligibility preference to those who are taken from their communities to serve their country in time of war..."

The delegates further resolved, "That all executives at every level of government are urged to enforce veterans' preference in their government agencies."

During a time when the military was almost entirely male, <u>Alexander Hamilton said</u>, "Justice and humanity forbid the <u>abandoning to want and misery men who have spent their best years in the military service of a country or who in that</u> <u>service had contracted infirmities which disqualify them to earn their bread in other modes.</u>"

It is in this spirit that additional veterans' preference points and benefits are awarded to those who incur a 30-percent or more disability rating.

While some veterans' preference critics lament that the beneficiaries are mostly male, the solution would be to better incentivize women to join the military. If they do, they would find no better advocate for their interests than <u>The</u> <u>American Legion</u>. *Continued on page 11*

An Earned Benefit

By National Commander James W. "Bill" Oxford *Continued from page 10*

Our organization recognizes that there are many outstanding civil servants who haven't served in the military and we have never advocated that veteran-status be the only factor in federal hiring. But it should be an important factor.

According to the <u>Office of Personnel Management (OPM)</u>, 69 percent of the federal workforce are not veterans. It is also worth noting that the well-earned veterans' preference benefit does not apply to Senior Executive Service jobs or executive branch positions for which Senate confirmation is required. Moreover, the legislative and judicial branches are exempt from the Veterans' Preference Act unless the positions are in the competitive service.

Veterans are already at a disadvantage when it comes to occupational advancement. While serving in the military, young men and women remove themselves from the civilian workforce. Many postpone or cancel opportunities for academic or vocational education. As their former high school or college classmates climb corporate ladders, the military men and women risk life and limb climbing mountains in Afghanistan or dodging explosives in Iraq.

But when their military obligation ends, the experienced veterans are more often than not physically fit, highly disciplined, professional and equipped with a skill set obtained through some of the best training in the world.

There is a simple solution for workers who oppose leveling the federal playing field with veterans' preference policies. They can visit their local recruiting offices, dedicate a few years of their lives to serving their country, and become veterans. They should be warned that the training is challenging and the hardships are numerous. But in the end they will see that the benefits obtained are well-deserved.

Veterans' preference is a tie-breaker among a pool of qualified applicants. Nobody is suggesting filling air traffic controller positions with truck drivers. But it does make sense to heavily staff the department which sends America's young people to war with those who have experienced the fight. They earned it.

American Legion National Commander: Unequal treatment violates nation's highest values

(INDIANAPOLIS – June 12, 2020) – American Legion National Commander James W. "Bill" Oxford issued the following statement today:

"The American Legion stands on principles and serves purposes worldwide that are violated when justice, freedom and democracy are not applied equally, regardless of race, color, creed or class. These principles formed the foundation of the organization over a century ago, in a very different and deeply divided time in U.S. society. As our nation grieves and tries to reconcile the unconscionable deaths of African-American citizens George Floyd, Breonna Taylor, Ahmaud Arbery, retired St. Louis Police Capt. David Dorn, Federal Protective Services Officer Patrick Underwood in Oakland, Calif., and others, The American Legion stands firm in a value it has upheld, in the form of a national resolution, first adopted 1923:

WHEREAS, The fundamental law of our country guarantees to all peoples equal rights and equal opportunities and the right to worship their God as they see fit; and...

WHEREAS, Membership of The American Legion is made up of those who served our country in a time of great national stress, without distinction as to race, color, creed or class; and...

RESOLVED, ... That we consider any individual, group of individuals, or organizations, which creates, or fosters racial, religious or class strife among our people, or which takes into their own hands the enforcement of law, deter-Continued on Page 12

mination of guilt, or infliction of punishment, to be un-American, a menace to our liberties, and destructive to our fundamental law; and be it finally

RESOLVED, That we consider such actions by any individual, groups, or organizations, to be inconsistent with the ideals and purposes of The American Legion.

"This resolution's place in The American Legion's conscience is so timeless it was reaffirmed, in full, at the organization's 99th National Convention in 2017.

"Throughout its history, The American Legion has fought to improve racial equality not only for veterans, but for the communities they serve. In 1919, African-American veterans of World War I were among the organization's founders who adopted a mission statement – the Preamble to The American Legion Constitution – that pledges among other things 'to maintain law and order,' 'promote peace and goodwill on earth' and 'safeguard and transmit to posterity the principles of justice, freedom and democracy.'

"Where the law has been broken, justice must be served. Where freedom has been denied, it must be returned, without prejudice. Our nation has much to consider as we continue to strive toward a shared goal found in the Pledge of Allegiance to our flag: 'with liberty and justice for all.' All means all. Anything less than complete equality in the execution of these values today is as un-American now as it was in 1923."

The American Legion, www.legion.org, is the nation's largest veterans service organization and was founded in 1919 on the four pillars of a strong national defense, the care and wellbeing of U.S. military veterans, patriotic youth programs, and Americanism.

The American Legion's official training program for officers, members, Legion College applicants and those who simply want to expand their knowledge of the nation's largest veterans service organization is now available online.

Already taken the old course. The American Legion Extension Institute has been rewritten, updated, streamlined, and enhanced with videos, digital photos, clickable links, a historical timeline and additional features. The program should take less than two hours to complete. It is divided into six sections, with a quiz at the end of each one, followed by a final exam.

The Course is arranged into 5 major topic areas and 1 concluding section. Each section will present information about the topic via text, images, and video.

At the end of each topic area there is a quiz that will help gauge your understanding of the material. When you have completed each section quiz, you will be able to take the final exam. The exam will take roughly ~30 minutes to complete.

## Trump unveils 'bold' plan to prevent veteran suicide, but critics say it's not enough

By Nikki Wentling/Stars and Stripes JUN 18, 2020

President Donald Trump praised his new plan to prevent veteran suicide Wednesday as unprecedented, bold action against the problem — but critics argue it isn't enough.

Trump unveiled the plan, which was three months overdue, in the White House on Wednesday afternoon, surrounded by Department of Veterans Affairs officials and veterans advocates. The plan is the result of an executive order Trump signed March 5, 2019, creating a Cabinet-level task force titled PREVENTS, short for "President's Roadmap to Empower Veterans and End a National Tragedy of Suicide."

The last annual report from the VA showed that suicide among veterans continues to be higher than among the rest of the population, particularly among women. About 20 veterans and members of the National Guard and Reserve die by suicide every day.

The task force issued its 60-page plan, which included 10 recommendations. The recommendations are expected to take two years to fully implement.

The first action will be a national public service announcement, which Trump described as a "historic" campaign to help end the stigma surrounding mental health. Second Lady Karen Pence, mother of a Marine Corps pilot, will be the campaign's lead ambassador.

The plan also focuses on improved research into veteran suicide, increased suicide-prevention training and new partnerships between government agencies and outside organizations. It includes a legislative proposal that would establish a federal grant program to fund state and local groups that help veterans.

"We're gathered to address an especially urgent struggle," Trump said. "Today, we're unveiling our roadmap to empower veterans and end the national tragedy of suicide."

Republican lawmakers praised Trump's plan, including the GOP leaders of the House and Senate veterans' affairs committees, Sen. Jerry Moran, R-Kan., and Rep. Phil Roe, R-Tenn.

"We must do more to change the culture and conversation surrounding suicide in the public and private sectors and, most importantly, in neighborhoods

across the country where the real healing work must start and end," Roe said in a statement. "The PREVENTS roadmap shows us how, and I am confident that it will help to save and improve the lives of at-risk veterans and others for years to come."

Democrats, though, criticized the plan for not being bold enough.

Sen. Jon Tester, D-Mont., ranking member on the Senate Veterans' Affairs Committee, said the plan was a "necessary step forward," but "far more" — including policy changes needs to be done to make a real difference.

Tester and Moran have pushed legislation for over a year that would boost funding to local organizations that help veterans, as well as increase mental health staff, alternative therapies and research at the Department of Veterans Affairs. The bill, the Commander John Scott Hannon Veterans Mental Health Care Improvement Act, also builds into the law an initiative that Trump announced in 2018 to automatically enroll every servicemember into VA mental health care for one year when they transition from active duty.

Rep. Mark Takano, D-Calif, chairman of the House Committee on Veterans' Affairs, was even more critical of the PREVENTS plan, describing it Wednesday as "meek" and "tepid." He claimed it was developed with little input from veterans service organizations and lawmakers who work on veterans policy.

"Tepid calls for more research, interagency coordination and meek public education campaigns won't do enough to end this crisis," Takano said in a statement. "We have much more substantial work to do to prevent veteran suicide and ultimately help save veterans' lives."

Continued on page 15

#### Continued from page 14

Karen Pence, along with other senior administration officials who spoke on background Wednesday, said the plan came at an urgent time. The coronavirus pandemic has created more need for a national plan to address suicide, an official said.

"I feel like right now is such an opportune time because we're all dealing with anxiety, we're all dealing with stress," Pence said. "So, if I can do anything as lead ambassador, it's my goal to help take away the stigma around mental health. We want them to know there are people out there who want to help.

There is a way forward."

The VA's budget request for fiscal 2021, released in February, includes \$53.4 million to the *PREVENTS* initiative.

Editor's note: The American Legion was represented at the announcement by Chanin Nuntavong, executive director of The American Legion's D.C. office.

**Post #83** 

During the

we

#### KARL PAWLIK DETACHMENT COMMANDER closure,

had options, prosper, maintain, or slowly die. We chose to use this time to assist where we could. We have dinners at our Post, not currently allowed, so we moved outdoors. March 29th, we held our first drive-through fish fry with proceeds going to our local Meals on Wheels. Our typical dinner drew 60 to 80 diners, this night, 192 meals in 3 hours, and a donation of \$1600. Two weeks later was Good Friday, April 10th. Proceeds would go to our local Food Pantry. A local TV station aired a short story about the event, and we knew we were in trouble. Three hundred nine diners sold in 3 hours, \$2215 in a donation, enough for 6645 meals at the Pantry. Being closed, we needed some income, so two weeks later, we did another drivethru for the Post. We sold 182 dinners in 3 hours, proving a point. When we link to a local group, promote that link, we are more successful. The community responds positively.

We typically hold a chicken B-B-Que on a Saturday before Memorial Day, picnic areas, tables, or grab and go. We changed it to a drive-thru offering an \$11 dinner, but if you brought a non-perishable food item, you got a \$1 off-the food item to go to the same local food pantry. We also linked up with the Veterans Legacy Group in Alma, OR. to sell their flowers, hanging baskets and bedding plants. Another success. We sold 600 chicken halves in 5.25 hours, and the

Veterans group sold \$2100 in plants and a pickup truckload of food items for the Pantry.

On May 21st, a hit and run driver killed a young man. His father had been laid off from his job the day before, and the home they were to buy was contingent on the father's employment. We decided to make a benefit dinner for the family on Friday, May 29th. We figured it would be significant and filled every square inch of freezer space with fish and fries. We made twenty-two gallons of clam chowder and tubs of slaw. Three hundred seventy meals served in 3 hours. We were given two more commercial fryers the previous week, and It helped what a great time to promote our ideals, helping veterans, children, and community. In five events, we raised over \$12,500.00, provided needed donations and food items, and picked up several new members for the SAL and our Post. We do make a difference.

### POST 10, Albany

CHUCK ZEITLER 1st Vice Commander Albany American Legion Post 10

Post 10 in Albany, Oregon has continued to be busy during COVID-19. Even though we were in Phase I for three months, Post 10 accomplished the following projects:

1. At the request of the Lebanon, Oregon Veterans Home administrators contacted Post 10 requesting help in feeding their staff. The Canteen had been closed and local restaurant personnel requested that Veterans Home staff not eat in their establishments. Post 10 answered the call by providing meals for 130 people plus we provided 500 masks. Post 10's accomplishment was televised plus there was an article in our local newspaper.

2. We continued to serve members breakfast 7 mornings per week during Phase I observing the governor's mandated instructions.

3. The ALR conducted approximately 7 escorts, 5 flag lines, plus several driveby birthday celebrations for veterans, children and the disabled.

4. In June, the Post and the ALR participated in a drive-by birthday celebration for a 93-year-old WWII veteran. He passed the next morning; the Post, ALR & Honor Guard participated in his graveside service.

5. The Post conducted a Celebration of Life ceremony in early June.

6. Beginning July 4th, the Post will conduct monthly Celebration of Lives ceremonies for the community at large. Anyone who has passed during CO-VID-19 will be honored.

7. The American Red Cross utilized our Post for 4 -blood drives each month and continue to do so.

8. For Flag Day our Post conducted an outdoor ceremony teaching those who attended the proper procedure disposal of flags.

9. For Memorial Day weekend, Post, ALR and SAL members & volunteers decorated approximately 4,000 veterans' graves. On Memorial Day, members and volunteers traveled to two assisted living complexes to blow taps and conduct a flag ceremony. There was an outdoor flag ceremony with taps at the Post.

10. Post 10 has partnered with the DOT Ranch providing fresh produce, eggs and frozen meat to those veterans who need help. The Post developed a non-perishable food pantry to distribute items along with the fresh produce, eggs and meat. Thus far we are helping to feed 30 people including 8 children.

11. Weekly Sunday afternoon *BINGO* began on Sunday, June 7th for approximately 30 people. Social distancing and face coverings were not an issue.

Our Post feels honored to have the ability and the volunteers to continue serving our veterans' community.
