About this program...

The Oregon Hunter Education Program is subject to Title VI of the Civil Rights Act of 1964, Section 504 of Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and the Americans with Disability Act of 1990. It offers all persons the opportunity to participate in programs or activities regardless of race, color, national origin, age, sex or disability. No individual will be turned away from, or otherwise denied, access to the benefits of any program or activity on the basis of race, color, national origin, age, sex or disability.

The Oregon Hunter Education Program is funded by the Federal Aid in Wildlife Restoration Act of 1937, better known as the Pittman-Robertson Act (amended 1970 and 1972). Funds come from an excise tax on bows, arrows, and handguns. The funds are distributed to state wildlife agencies by the U.S. Fish and Wildlife Service, Division of Federal Aid, based on each state's population. The excise tax finances 75 percent of the Oregon Hunter Education Program.
