VETERANS DAY NOVEMBER 11TH

HAPPY VETERAN'S DAY

LARRY WITTMAYER
DEPARTMENT COMMANDER

It is a distinct pleasure to thank all of the Posts who have stepped up and contributed to the Department fund challenge. I think it should be made clear that this cam-

paign is a three-year project. Each year, each District Committee, each post board, and each individual member will be asked to dig deep. At this

point, we are at \$14,219 raised out of a \$93,000 goal.

If our membership were to increase significantly, it would help tremendously with the continued decline. Continued declining membership is the partial reason for this deficit.

Some of the events this Department has been successfully involved in so far this year is Portland International Raceway. Suicide Prevention Awareness booth. Department of Washington Convention. The Oregon Legion College. The family team leadership meetings. Newburg Festival Parade.

The 9/11 Memorial Ceremony in Albany.

We held a couple of virtual DECs to handle urgent business. We also rep resented the Department at the National Legion Convention in Milwaukee. We were awarded the William F Lenker National Service trophy.

In closing, I am grateful for the teamwork this Department is showing. Please attend the Fireside chat with the National Commander candidate Jim La Coursiere on Friday, October the 28th, from 7:00 to 8:00 PM, with Pizza and soft drinks.

CORY BROCKMANN
DEPT 1ST-VICE COMMANDER

My fellow comrades, thank you for your service! We honor more than 19 million men and women who have served in our armed forces this Veterans

Day. For many of us, the bonds of comradeship, of friendship remain to this day.

To his trusted friend, Joseph Gillespie, Abraham Lincoln wrote, "The better part of one's life consists of his friendships." As veterans, we can relate to this with even more special meaning. While the distance may be great between our service buddies or, sadly, acknowledging those we have lost, many of us create bonds anew within our American Legion. We are legionnaires and share a unique bond with our fellow brothers and sisters who served.

As service members, in addition to our oath of service, we were charged with upholding a culture founded upon teamwork, professionalism, dignity, and respect. It is this same culture we strive for within our organization, working together as a team to ensure our programs, members, and families remain healthy and strong.

Leadership – With the existing financial shortfall in our operating budget, we continue moving forward, today and into the future, with less administrative support in our headquarters office. Even so, we must all strive to maintain and even strengthen a culture of teamwork, professionalism, dignity, and respect. I encourage you to continue being strong leaders in your posts and districts and in serving

upon commissions and committees. In doing so, we will successfully continue our legacy of service to our veterans.

Our department leadership will continue to seek solutions to ensure a bright future for our veterans. And you are strongly urged to share your ideas with your post and district leadership as well as with any of our department officers.

"Thinking outside the box..." only becomes cliché if it isn't applied seriously, intentionally. We will continue to think outside the box, not just to be different but to seek viable solutions. The recent Commander's Challenge, seeking fundraising commitments, is one example of action being taken. I congratulate Hermiston Post 37 for their recent contribution of \$5,000 – a truly, selfless commitment to their fellow veterans. Well done, comrades.

Programs – Oratoraical, Junior Shooting Sports, law enforcement, and firefighters of the year are among the programs underway and in need of your support. Creating opportunities for leadership for our youth helps build a strong future for our communities and nation, just as recognizing and honoring the service of our law enforcement and firefighters further strengthen our national security.

Additionally, supporting buddy checks and membership activities, are excellent ways to connect and ensure our veterans are in good stead. Please support these programs in your local communities and posts. If you are looking for more information, please reach out to your post commander and adjutant on how you can help.

We have much to achieve, and we will! The power of one begins with you. Thank you for all you do! We are Veterans Strengthening America.

Dan Burks 2ND VICE COMMANDER

Legionnaires, your 2nd Vice, my message will be pretty consistent. I have oversight of your Americanism programs. Your

Americanism Chair is doing

a great job, and we keep in regular contact. In my role, I have chosen to support the Commission and the Americanism Chair whenever and if they need me. I stay on top of the details, and the only thing that each of these committees needs is your help. They are doing a fantastic job of planning, preparing, and executing their plans for each program this year, so now all they need are participants. Boys State, Jim Willis LECC, Oratorical, etc., all need participants; that is where you come in. Go to your local high schools, talk to school boards, meet with parents, whatever, to get to these kids and get them involved in our programs. The greatest programs in the world won't do us any good if no one shows. I know there are folks out there wanting to participate. It's up to you to find them.

For the past eight years in all our Department Executive Committee (DEC) Meetings, all my Legionnaire Articles and Book of Reports, in all training sessions, I have emphasized, "File your Posts Taxes," and there are "no exceptions, you must file taxes each year." I continually emphasize to our District Commanders, on your visitations to your Posts and when you are doing your Post assessment, to ask and check that the Post has filed their 990 tax forms, either 990, 990EZ, or 990n (ePostcard). We also continually ask if anyone needs help, please call or email that we are here to help.

Each Post is a separate corporation with an individual EIN number and is under the National Umbrella and is under the National American Legion Group Exemption Number 0925, which is our 501c19. Remember, every Post is a separate corporation. It is a business, and you operate under the Corporate Laws of Oregon. You pay a filing fee yearly to the Secretary of State, Corporation Division. When a Post has not filed their taxes in three years, they will receive a letter from the IRS that their EIN is revoked; warning letters are sent out prior to the revocation letter. There is a process to have your EIN reinstated. You must act immediately upon receiving the warning or revocation letter from the IRS.

When your EIN Number is revoked, you are not covered under the National American Legion Group Exemption Number 0925 and have no 501c19 Tax Exempt status. Yes, there is a reason that I am writing this message again; as I answer my phone for Posts that have received a letter from the IRS that their EIN has been revoked or they have not filed their taxes and are being warned, I wonder how the District Commanders visitations and assessments have not found this issue and assisted the Post or asked

for help. At the next DEC and following DECs' when the District Commander is presenting their District Report and reports that their report is in

PDC, BOB HUFF DEPARTMENT FINANCE OFFICER the Book

of Reports and the topic of filing taxes for their Posts is not mentioned in the Book of Reports, I will be asking each of those District Commanders the Tax Filing Status of each of their posts and do they need help as this is a serious issue.

This is a new Department Budget Year. It started on October 1, 2022. All District Commanders and Department Officers have attended meetings on our reduced Department income with declining membership, our other sources of income have been reduced, and our expenses, as all of ours, have increased. We have held discussions and have a plan which is achievable.

PDC, Bob Huff We will DEPARTMENT FINANCE OFFICER continue to visit our plan; our membership has not increased, and we missed our first goal, which was achievable, but this is not positive. Information has been presented by your District Commanders at your District Meetings and from Department Officers and through this publication and our Department electronic communications. Each Post has received a flyer with the Commanders Challenge for your Post, and Members are asking for your assistance in the form of donations. The real solution is increased membership, the lifeblood of our organization.

Remember, the Oregon American Legion Foundation is a 501©3, and their contributions are tax-deductible; funds are used for our programs. There is a lot of information and grant requests on our Web Site. Department Program Chairs, there are grants available for most of our programs. All you must do is apply for them, and we have our Foundation, a 501c3 which the grants can be made out to earmarked for your Program.

As a Legion-

Legionnaires interested in initiating such a process must file a resolution – a written description of a problem or situation, followed by a suggestion as to how it may be corrected.

A resolution may also be a statement or declaration pertaining to an issue of concern to the Legion. It consists of

two parts: the preamble (description of the problem), and the resolve clause (how the local post, department or national organization should solve the problem or support the issue). The entire resolution should be one continuous sentence, with the preamble clause(s) preceding the resolve clause(s).

There is even a resolution guide on the National website to assist you in the proper procedures of writing a resolution. Then, after writing your resolution you can send your resolution to Department Headquarters, who will then forward to the Resolutions Committee and the Department Judge Advocate for review. A link to the Resolution guide is provided below.

With Fall approaching, it is again time for the Fall Meetings in Indianapolis. This will be a time that the new Chairman of Commissions and

Committees and Appointments are

approved. It is also time for the National Executive Committee approves the Legislative agenda. Like our DEC, the NEC is given reports that shape

the coming year and outline the programs for changes that might have been made at the National Convention.

I would check with the Department Chairman after the NEC has convened to see what changes might have taken place. I will be reporting at our Fall DEC on the actions that took place. At our Fall DEC we will be hosting a candidate for National Commander, James La Coursiere from Connecticut. This is an excellent opportunity to visit with him and learn more about his vision for the American Legion. Finally, in November,

National Commander Jim Troiola will be visit-ing Oregon.

We will be spreading the word about "BE THE ONE" and passing the Coast Guard Act allowing the Coast Guard to be paid during a government shutdown. A critical resolution at the National Convention was number 3, Designating U.S. Highway 20 as the National Medal of Honor Highway from coast to coast. You might not realize this started in Oregon from an American Legion member from Bend Post 4, Dick Tobiason. As Oregonians, we should be proud of all the efforts to promote such a great cause honoring our Medal of Honor recipients.

BETTY FISH-FERGUSON DISTRICT 2 COMMANDER

Hello Legionnaires,

As Commander, have been swamped. My priority has been get out and visit the Posts in District 2. Some

of which I have never been to before. So far, I have seen 50%. I have visited McMinnville 21, Dallas 20, Canby 122, Salem136, Salem149, Keizer 17, Woodburn 57, and Stayton 58. I also participated in a lengthy discussion

with previous members of Mill City-Gates on their status and their ongoing wish to close. I am hoping to bring that issue to a close.

At each visit, I have touched upon three things:

- 1. To encourage the Post to make a contribution to the Budget shortfall and the role of Membership recruitment in the development of the annual budget.
- 2. To continue Buddy Checks on their members and its impact on membership retention.
- 3. A synopsis of the Be the One project from the National Commander.

The tickets are 6 for \$5.00, or 30 for \$20.00 giving you an extra 6 tickets.

Please call me at 503-318-6426 if you wish to purchase some tickets.

The drawing will be held at Department Convention in June 2023

We are four months into the 2023 membership year and have already passed two target dates. While it is nice to hit the national target dates, they are just a way to see how membership is coming along and where we should be at any given time. The most important date is the 100% target date, and I am sure we will be at 100% again this year. Please do not set on membership, you owe it to your members to transmit their dues on a timely manner. Constitution and bylaws state that you are to transmit at least every 30 days.

At our Fall DEC, we established a Willie Williams SAL scholarship. The scholarship is for any SAL member in good standing. That is, their current year's membership dues are paid. This is an annual scholarship and is currently worth \$1,000. The amount may change year to year, depending on the funds in the account. I am asking all squadrons to hold at least one fundraiser each year and donate the profits so we can maintain the scholarship.

Willie Williams was instrumental in the success of this Detachment.

The Detachment of Oregon has always been a leader in donating to the Child Welfare Foundation. We slipped a little last year, and it would be great if we could get back to being on top. This was one of Willies top priorities, so let us honor Willie and keep the donation coming in for that great endeavor.

Our mid-winter DEC will be January 14th. The Department is having a virtual meeting, but we have an inperson meeting at Milwaukie Post 180 at 1 pm. We are planning a fundraiser dinner that night for the Willie Williams SAL Scholarship. Marc Chaney

is working on a western-themed event, so break out your hats and boots and be ready to saddle up for a fun time. More details

to come.

RICHARD RAMEY INTERNAL AFFAIRS CHAIR

Attending meetings reviewand reports, ing a continuing theme, is an appeal for more members to get involved. Now with the

leaves raked, the gardens put in

hibernation, and the weather bringing us indoors more often, it is a good time to turn our attention to what is going on in our posts. Our posts are doing great things with, it seems, fewer people participating but still accomplishing many of our programs. And one recurring appeal is for people just to attend the Post meetings. Ifwe can go to the meetings, we will see what our Post is doing for veterans, youth, and our communities.

I was reading the report from the Oregon American Legion Riders (ALR), and they have, again, been very active in providing escorts, and flag lines, assisting veterans, and helping with Post building repairs. There are 23 ALR Post Chapters in Oregon. They have placed flags on streets, provided color guards for ten parades and 36 flag lines, and provided an escort for the National Commander.

Every Post newsletter I read shows that Posts are putting their best effort forward to promote the American Legion and its programs. With the

Oregon Short Session Starts February 17th

school year in full swing, our Posts will be ramping up efforts to get flags into schools, promote Boys State, and encourage High School students to participate in the High School Oratorical program. All these activities welcome your participation. Just a few hours of your time donated to help in one of these endeavors reaps huge rewards for the youth of our communities and raises public awareness of how important our American Legion is to our communities and Nation.

So let's go to our Post meetings, find out what is being planned, and raise our hand to volunteer for at least one of these worthwhile projects. You will feel much better after helping, knowing that you continue serving and making our Nation better.

JOHN LEE LEGISLATIVE CHAIR

legislature always has a long session in odd years as this is when the budgets voted on.

2023 is no exception and will begin on February 17th and run for 160 days. Each legislator can submit up to eight bills for consideration and each committee.

The House Veterans and Emergency Management Committee and the Senate Veterans and Emergency Preparedness Committee have started having interim meetings to discuss the bills and topics for the 2023 session. ODVA Director Kelly Fitzpatrick, and the new ODVA Legislative Director, Jay DeFilippo, were present

Oregon

and present to the committee.

Some of the topic for the next session is the unclaimed veteran Cremains in various locations, aging veteran programs, houseless veterans, educational grant programs, and the Roseburg VA. Not all subjects will be made in a bill, but most will. A Bill for the Unclaimed Veteran Cremains will most likely become a committee bill and be spearheaded by Representative Christine Goodwin. This means it will go forward if a representative is not reelected or assigned to a different committee.

It is important for each of us to remain in contact with our local legislator. Let them know your feeling on these topics or any other you feel are important. Oregon has now redistricted both the House and Senate districts, and the election is November 8th. Your representative may now be different. It is only through Grassroot efforts we can get our veteran's bills submitted and passed.

November 8th is election day. Everyone needs to get their votes mailed in or dropped at the local drop box. Make your voice heard. We defended the rights of Americans, and now you have the chance to exercise those rights. Don't waste them.

If you're a Veteran who lost your job due to the COVID-19 pandemic, VA may have a solution for you. The Veteran Rapid Retraining Assistance Program (VRRAP) offers education and training for a variety of highdemand jobs so you can get back to work.

Qualifying Veterans can receive up to 12 months of tuition, fees, and a monthly housing allowance. To be eligible for VRRAP, you must be between 22 and 66 years of age, unemployed due to COVID-19, able to work, and not eligible for education or unemployment benefits.

If you do qualify, apply soon! They will stop accepting new VRRAP enrollments on December 11, 2022or when we reach either the funding or participant limit, whichever comes first.

Law Enforcement and Firefighter of the year Applications are available

NATIONAL SECURITY **COMMISSION CHAIR**

The applications for the Law Enforcement Officer and Firefighter of

the year have been updated and are available and ready for the Posts to start making their selections to be forwarded to the Department of the National Security Commission to make their selections. The new application and instruction forms were sent out to the Posts near the end of August.

I have asked the District Commanders to forward an e-mail to all the Posts in their District with the applications with the idea that none of the Posts have been overlooked. Also, the new forms are available on the Department website under the forms and publications column.

The Law Enforcement Officer and Firefighter of the year are programs of the National Security Commission to honor the outstanding members of the Law Officers and Firefighters in the pursuit of their efforts to protect

the public. The Department of Oregon program has honored a number of outstanding police and fire officers that have gone on to be recognized by the Western Region comprised of the legion Departments.

The winners of the five regions go on to compete for the honor of being selected as the National Law Officer and Firefighter of the year to be honored at the National Convention. In 2018 Damon Faust, a Volunteer Firefighter with Estacada Rural Fire District nominated by Carl Douglas Post 74 of Estacada, was honored as the National Firefighter of the year.

There is still plenty of time for your Post to contact your Law and Fire agencies to recommend some of their outstanding officers and nominate them as Department candidates, and be honored for the work that they do. The Post candidates must be sent to Department no later than December 31, 2022, to be selected for the upcoming year.

MARIA TYE ORATORICAL CHAIR

The American Legion High School Scholarship Program for 2022-2023 has a great Team of Committee Members this Oratori-

cal year. They are working diligently

to ensure that they assist their Oratorical Chairpersons at the post and district levels and their respective assigned District Commanders. Our Department of Oregon Americanism Chair, Lou Neubecker, is always available to provide his expertise.

We have had many questions that had not been asked before regarding the program, which our committee discusses at our meetings with great enthusiasm. The committee members hold other positions within the Department of Oregon, so our meetings provide much discussion at all levels. I look at the success of this program to our Committee Members as they organize our program and provide their organizational skills and yours also. The first step is to determine the amount of scholarship money or type of award your post and district are offering. Posts will hold their contests in December and Districts in January.

The Department contest will be held on February 18th, 2023, at the San-

tiam Post 51 in Lebanon, Oregon. The National High School Oratorical Scholarship Program Contest will be held on April 21-23 in Indianapolis, Indiana. The Oratorical Committee provided the District Commanders with a Media List to help with the local media outreach. This allows posts and districts to ensure local outreach of our American Legion High School Scholarship Program.

Many thanks to Charlie Schmidt, that provided this list. This was sent to all the District Commanders so they could send it to their Oratorical Chairpersons. Public Relations is crucial to ensure a steady flow of information for this program and our

Dan Burks
Membership Chair

Membership is sluggish, and we just held a membership meeting at the DEC. We currently sit in 52nd place out of 55 Departments. Everyone reading this article has invested in the American Legion and in this Department. Let me ask each of you, is being in 52nd place the return on your investment you were looking for? Membership is

everyone's responsibility; membership is the organization's lifeblood;

everyone has heard those comments at some point.

However, they are more than comments, they are FACTS. So you might ask yourself, how do we improve our membership in our Department, our District, or our Post? The answer is simple, Buddy Checks. You can knock on doors and ask for money, call everyone, and tell them to mail in a check, but showing your members you care by contacting them and letting them know they matter builds value in YOUR organization. Members will want to ensure they are a part of an organization that cares.

Dan Burks Do you care MEMBERSHIP CHAIR about your veterans enough to check on them? When we speak to our members, are we talking to them about being a PUFL? How about auto-renewal, available on mylegion.org? Do we educate them about when our membership year kicks off? Not every solution works for every member. However, one may work for many of them. If we do our part about informing our membership, that could be that many

fewer members you have to "chase" each year. There are around 300,000 veterans in the state of Oregon.

We should not rest until every single one has been offered the opportunity to have a voice, and not just a voice but a strong voice that can be heard throughout the country, membership in the world's greatest veterans organization, to be a part of our family, where we can take care of each other, and all through joining OUR American Legion, Department of Oregon.

MARIA TYE Posts. When done, ORATORICAL CHAIR our membership can flourish. Local newspapers are a vital source of our organization. Local radio stations always want to interview people, and we need to contact them. I realize that many of our post members hold more than one position, so posts can ask the Post Service Officers to assist in handling this outreach beautifully and promote programs alongside the benefits information.

Your second step is contacting local schools, homeschooling organizations, etc., with high school-age youth. A date, time, and place to hold this event must be included. Look for your judges, tabulators, escorts, time-keepers, etc. Your Oratorical Handbook provides this information and the forms you will need. Please don't hesitate to call the Oratorical Committee Members.

Now the third step is to follow up on your progress. Contact your District Commanders and District Oratorical Chairs to find out when they will hold their contest. Please don't hesitate to delegate. Please contact your District Commanders and then contact the Oratorical Committee Member. You can find out who they are from your District Commanders and the orlegion.org website.

Your High School Oratorical Scholarship Program success will be rewarding to our youth

and our future leaders in our country.

CORY BROCKMANN
PERMANENT FINANCE MEMBER

Challenging and compelling times call for innovative and adaptive measures necessary to succeed.

We experience changes

throughout our lives. Some are expected, some not. Yet, we make the decisions needed to address the issues and move onward. What we don't do is quit.

In my ten years of serving within our Department of Oregon, I don't recall when we began our fiscal year with a staff vacancy in our headquarters of fice and had no intention to fill it.

Is that ideal? No, it's reality. The scope of our 'ideal' isn't defined by fantasy or perfection but rather by situational circumstances.

The present circumstance of declining membership is not new. It hasn't been 'new' for several decades, as American Legion departments across the country have been experiencing declining membership for many years. Ours is no different. However, with each passing year, the challenge of overcoming the financial shortfall is increasingly more complex. You might even say it is now severe.

Our elected and appointed leaders are faced with extremely difficult decisions. Noteworthy is that not all actions are solutions. The decision not

to fill an administrative position was an action, not a solution. An action that is more a sad, necessary response to our financial status than it was difficult. Sad, in that the department has seen declining membership for years and has not yet, overcome it.

But we don't quit. We must adapt. We must become innovative in leading our department. Our veterans and their families need us.

Membership remains the lifeblood of our organization. Want to help make a positive difference? Contact your post leadership and let them know you want to be a team member that helps make regularly scheduled buddy checks and helps work on membership renewal contacts. Be the difference!

PDC, BOB HUFF VA&R CHAIRPERSON

Our Vet-Aferans fairs and Rehabilitation (VA&R) Commission members for the 2022-2023 membership year **IPDC** are Don Weber, Department

2nd Vice Commander Dan Burks, Ann Everetts, and PDC Bob Huff, Chair. The focus of the Commission is oversight over VA&R activities for our Department. We still have an opportunity for another Legionnaire in good standing an opportunity, if interested in joining or participating with this elite team and being part of our future supporting Veterans and families in our Department. The Commission has oversight of our Department Service Office and activities of the Veterans Benefits Administration (VBA) and our Department VAVS Program, which has representatives at our VA Facilities in Oregon, which all need more volunteers desperately. Our VAVS community at Portland, VA, and Roseburg, VA, has been significantly impacted by volunteer positions with COVID protocols. VA SORCC in White City has an American Legion presence which has increased with COVID to support this facility with the closing of Compensation and Pension (C&P) activities in Roseburg and White City with staffing issues and reassigning clinical staff to higher priority assignments and moving patient needs to community care.

Both Roseburg and White City are also currently changing over to CERNER, the new computer program supporting the VA, which has been slow but is progressing. Portland, VA, will start the changeover to CERNER

VA & R

on March 7. The VHA is working very hard to support Veteran's needs with changes and challenges facing them in this transition of Computer Systems. We are meeting with the Director of Portland VA and White City VA SORCC on a venue to hold events at their facilities to support our mission and the new PACT activity. Volunteer Drivers are desperately needed and in critical need with some services moving to Portland and veterans in need of transportation from rural and other areas of our Department and with C&P moved to Portland.

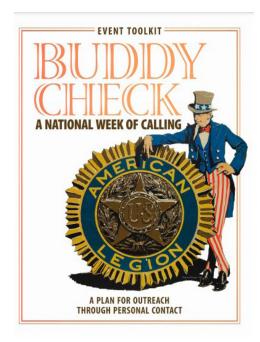

If interested, if you have some extra time and want to help and support Veteran's needs, please contact your local VA or CBOC as there are lots of vacancies. You will meet new people, help veterans and their families, our first pillar, and make a difference. Department of Oregon accepted the National Linker Award for our Legionnaire's volunteer service in our Department for this past year at our National Convention, which will be displayed at our Department Headquarters in Wilsonville and will be displayed at our Department Executive Committee meeting in Springfield. Thank you to all who continue to support our Veterans community; keep up the good work. Issues that are currently being discussed and worked on are transportation, rural area support, and an aging Veteran population.

The VA will not allow anyone to fill volunteer positions without being complete on their COVID shots by Federal direction. Face mask requirements continue at all Federal and Medical facilities which are in red. If going to a VA or Federal Building, you are required to wear a face mask. The

VAVS arm also supports the National Cemetery Administration (NCS) with activity at our National Cemeteries. We have additional responsibility at the VA SORCC and Eagle Point National Cemetery as we have more face-to-face contact. The Commission also supports the System Worth Saving Program and has supported four events in the past at our Roseburg and White City VAs with our National Organization.

The Commission also represents our Department along with the Veterans Employment, Education, and Homelessness (VE&E) Commission at Veterans Stand-Downs, Benefit and Employment and Education Events, Woman Veterans Events, Mobilization, and Yellow Ribbon Events in The Department of Oregon. If your District is holding its meeting and would like more information or support with our Pillar I Veterans activities, please contact me, and we will be happy to support you.

Thank you

VETERANS EMPLOYMENT, EDUCATION and HOMELESSNESS

PDC, Bob Huff VEE & H Chairperson

The Veterans Employ-Edument, cation, and Homeless-Comness mission and Committee members are District Commander Larry Hill, Tom Fitzger-

coverage for the whole Department. If interested, please provide your contact information, as this is a needed service for our veterans and their families. The Commission and Committees support Veterans' Employment, Education, Homelessness, Service Connected, and Veterans Small Business opportunities. With the pandemic still active and real, like what I experienced 1st hand, I have all my shots. We still have restrictions on our ability to hold large events, which we desperately need. Each event we hold will still require complying with the rules for the area we are holding them

in, and the number of participants allowed; all rules are followed for every one's safety.

We are scheduled and are meeting to have a VA Employment Event on Saturday, October 22, at the VA SOR-CC for 245 jobs at the VA in Clinical and Administrative Support positions. All our partners are participating. We continue to gather equipment and clothing. I am meeting with the VA Director from Portland and the VA SORCC in White City to discuss a venue. We are getting closer with more in-person events starting.

ATD

ald, and PDC Bob Huff (Chair). We

are still seeking more Commission

and Committee members to provide

Local American Legion Riders from McMinnville and Stayton salute the flag as they help open the Air show Friday, Saturday, and Sunday as the ladies for liberty sing the National Anthem. At the same time, F15s from Portland Air National Guard blasted over the crowd to open the event.

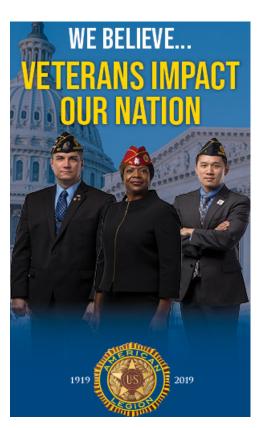

Additionally, led by Mr. Bob Berweger, many men from Legion Post 21 worked for five days placing and removing fences and barriers to ensure participants' safety during the fantastic air show activities.

Good Afternoon Commander Wittmayer,

My name is Liz Hartman and I'm a spokesperson for Bergmann & Moore – The law firm that The American Legion has been under contract with since 2017.

I live in New Bern, North Carolina – a stones throw distance from Marine Corps Air Station Cherry Point and Marine Corps Base Camp Lejeune. As a Marine Corps veteran, I am well aware of the incessant advertisements that have been targeting veterans and their families in the wake of the passage of the PACT Act/Camp Lejeune Justice Act (CLJA).

Many of these firms are charging veterans and their families exorbitant

amounts – at times in excess of 60 percent, not including costs. Additionally, they have failed to notify potential clients of the offset provision in the CLJA leaving claimants with less money.

For these reasons and more, the Veterans Affairs and Rehabilitation (VA&R) Commission announced at the 2022 Fall National Executive Committee (NEC) meeting that the contract with Bergmann & Moore be included to provide assistance with the CLJA. Bergmann & Moore has successfully represented more than 4,000 Legion veterans and their families in federal court before the U.S. Court of Appeals for Veterans Claims, and continue to actively serve as the Legion's training partner - leading Department Service Officer (DSO) schools. They presently represent

Appeals for Veteran Claims than any other law firm in the country.

The relationship with Bergmann & Moore ensures veterans and family members have CLJA representation that not only deeply understands the appeals process, but has transparent/capped fees (33.33 percent inclusive of all costs).

To ensure veterans are educated on the complexities of the bill, I will be educating veterans on the complexities of the CLJA, answer any questions, and ultimately support them through their potential claims process.

I would love to attend your Department's upcoming conferences, and to speak with your members at no cost. If you feel this would be valuable, please let me know.

Semper Fidelis

Hermiston Post 37

The Vietnam Apology Tour made Hermiston its first stop Friday evening. The tour, headed by Ken and Melinda Buckles, are on a cross-country trip with stops along the way promoting an apology to the Vietnam veterans who returned home from an unpopular war to a seemingly ungrateful nation.

They aim to be at The Wall in D.C. on the 40th anniversary of that me

morial. On the return trip, they will tour the south and Midwest before returning home to Canby, OR. Last evening the Auxiliary of Post 37 provided an excellent Potato and Dessert Bar for Veterans and their families.

Mayor Drotzman read a proclamation from the City of Hermiston, and Ken spoke about the healing process of this tour. A BIG Thank you to the Auxiliary for setting up the hall and providing the meal.

Post 37 and its Auxiliary held their annual yard sale on Saturday, October 8. Not only were local citizens invited to the event, but they could also participate by donating their "treasures," and many did. These items joined those donated by Legion and Auxiliary members.

The Auxiliary held a Silent Auction alongside the yard sale displaying arrangements made by their members. Each article had no price, and shoppers were encouraged to give what they thought was a fair price for the selected treasure. Several appreciative yard saless attendees placed an extra donation in the box, a converted official U.S. Government WWII wooden ammo box. All the proceeds will go towards helping veterans.

Workshop: Operation Veteran Freedom

A 4 session online workshop (or full day in person) specially designed for Military/Veteran families by a Vietnam era Combat Veteran (Jan McHenry). It uses some of the technology of brain science and some of the technology of a very powerful and highly regarded educational corporation. This is not a suicide prevention workshop, instead it is more like an **Operator's Guide to Your Brain**.

You do *NOT* need to relive your trauma to be free!

Commitment: Is for you to discover new ways to look at yourself, the world including your past and present circumstances. By seeing these things in a new light your past will no longer dictate to you how you feel and limit what actions you can take.

Outcomes: Upon completion You will experience more Power, Freedom, Full Self-expression, and Peace Of Mind.

Costs: Sponsors cover expenses so that it is *FREE* for our Service Members, Veterans and their adult family members or caregivers.

Online via Zoom and locations in WA & OR & CA are regularly scheduled, consider attending online or in person. With additional sponsorship we can bring this workshop to communities across the nation. To start the conversation for your community, send an email to Rod.Wittmier@na2evs.org for more information: Contact the website or,

AARON WETTERLING 1. Septem-Hermiston Post 37 ber 6, 2022. Our membership decided to support the Department's \$90,000 shortfall by donating a total of \$5,000. The situation was presented to the membership, and \$2,500 were donated out of pocket by the membership, and it was then voted to match that amount from the treasury. The member-

ship also voted to present a young volunteer with an Honorary Membership for assisting us in the handing out of miniature flags along 3 of our parade routes. BTW, our Post handed out 8,000 flags this year.

- 2. Every month, we have an Executive Officers meeting, one to two weeks prior to our monthly meeting, which takes place the first Monday of the month, to present and discuss topics that pertain to our mission and membership. Each officer is presented with a prepared agenda on which to better understand what is expected and to iron out any possible situations that might arise during the monthly meeting. The main reason for this? It is to our advantage that the Executive Offices be well informed before the monthly meeting. Should an officer be questioned, it is to our benefit that we are prepared to give an answer that we have agreed upon.
- 3. On September 10, 2022, Post 37 participated in the Dress Up Parade during the Pendleton Round-Up festivities. Our float, and the pickup pulling it, were festooned with flags honoring our country, branches of service, and a special one to honor the Vets who served in Iraq, Afghanistan, and the war against terrorism. The theme of our float was "Welcome Home...Iraq and Afghan Vets." Two members were 'armed' with water canons and dispensed water squirts into the crowd.

4. On September 24, 2022, Post 37 held its annual Veterans Picnic at McKenzie Park. We invited all veterans to attend this event. Fewer vets attended this year, but we did gain three new members in the Post and one in the Auxiliary.

- 5. October 3, 2022, ended our annual Beef Raffle contest. Two winning tickets were withdrawn from the drum, and the winners were notified.
- 6. On October 8, 2022, we held our annual Veterans Yard Sale. Money from this event will go towards our Auxiliary's efforts to help veterans.
- 7. October 28, 2022. Our annual Potato & Dessert Bar was held in the Fellowship hall at First Christian Church.

A Word About Legionnaire Insurance Trust

Over Five Decades of Partnership for a Healthy America

The Legionnaire Insurance Trust (LIT) was formed in 1966 with two primary goals: to provide Legion families with low-cost insurance protection, and to provide a source of revenue to participating Legion Departments.

The Trust has been so successful in its over fifty years that today over 500,000 Legionnaires in 50 participating Departments are enrolled in this unique program.

Also, in the same period of time, almost \$1 billion dollars in claim benefits have been paid to Legionnaires and their families through the LIT; and over \$100 million in allocations have been paid to participating Legion Departments. The first Trust insurance plan to be offered was the Hospital Income Protection plan, a program designed to pay fixed dollar amounts for periods of hospital confinement. Over the years, other insurance coverage offered included: Cancer, Accidental Death, Critical Illness, Disability Income, Emergency Assistance, Long Term Care, Medicare Supplement, Discount Cards, Dental, Whole Life, Auto, Homeowners, Identity Theft, and Home Health Care.

Since its creation, AGIA has worked closely with the Trust to develop insurance programs especially designed for Department members and their families. We are proud to serve you through the Trust and invite your inquiries and suggestions on any aspect of our activities.

More Than

Years Of Service To The Legion Family

Answer: B. USA

In 1925 Alaska was still a territory, not a state, of the USA. A diphtheria (deadly childhood disease) outbreak occurred in Nome after it was snowed-in for the winter. The diphtheria antitoxin doses held in Nome were out of date. The only link to the rest of the world was through miles of wild, mountainous trails and across shifting sea ice. Teams of "mushers" (drivers) and their dog teams volunteered for the dangerous mission to get ampules of antitoxin to Nome. They succeeded, but at great personal cost and the death of many dogs. The new mass media of the period, radio, followed the story closely and it was reported around the world. The famed Iditarod Trail Sled Dog Race follows part of the trail of the 1925 Serum Run.
