To: All Department of Oregon, American Legion Post Commanders, and Post Law and Order Committee Chairs.

1. This memorandum supersedes all previous editions. This memorandum and the policies continued herein are effective after the selection of the National Firefighter of the Year winner.
2. **Scope:** The Preamble of the Constitution of The American Legion includes as one of its objectives - "service to the community, state, and nation". As concerned citizens and veterans, Legionnaires have always fostered a strong sense to uphold the protection of American citizens and the American way of life. They have always held firefighting agencies in the highest regard, and many Posts already recognize outstanding firefighters of various jurisdictions who daily serve our communities and frequently lay their lives on the line.
3. **Purpose:** The purpose of this letter of instruction is to specify the guidelines, eligibility criteria, and application requirements for the selection of the Department Firefighter who has exceeded, above and beyond, the duty requirements expected of their position and has demonstrated a distinct pattern of community service coupled with professional achievement. Episodes of heroism will, of course, also be included where noted. A major secondary purpose of this award is to encourage the further development of Post National Security Committees in the recognition of firefighters by the Posts, Districts, and Department Headquarters of The American Legion. It is firmly believed that the establishment of this award will further serve to promote public trust and support firefighting agencies.
